

PROJECT

Participation of KATRES spol. s r.o. at fairs and exhibitions abroad 2026-2028

is co-funded by the **European Union**

The subject of the project is the participation of representatives of KATRES spol. s.r.o. at 5 important trade fairs and exhibitions abroad.

The project will enable not only the participation of a company operating in the field of wood drying technology, but also the creation of promotional materials in foreign languages and the transport of stand equipment and displayed exhibits to the venue.

The goal of the project is to strengthen and maintain the company's position in important foreign markets and increase the use of export opportunities.
